SUMMARY

Creating friendly websites is my passion as a Frontend Developer. I have a good grasp of web development technologies such as HTML, CSS, Javascript, JQuery, ReactJS, and NextJS and I like to explore new trends and techniques to enhance my work. I have experience in working on different kinds of web projects, from basic websites to interactive web applications, and I always ensure to produce high-quality work that meets the client's needs and expectations. I am looking for new opportunities to showcase my skills and collaborate with other passionate developers.

EXPERIENCE

04/2022 - Present

Frontend Developer

Fleetify.id

- Developed and maintained user-facing websites and applications using HTML, CSS, JavaScript, and JQuery.
- Applied AJAX and JSON methodologies for fluid data interchange, enhancing overall user experience.
- Integrated third-party APIs to provide additional functionality and improve user experience.
- Proficiently utilized Git and version control systems for streamlined code management and effective collaboration.
- Collaborated seamlessly with back-end developers and web designers to enhance application usability.

03/2020 - 05/2020

Frontend Developer - Internship

PT Yoofix Digital Indonesia

- Utilized HTML, CSS, and JavaScript to create a dynamic, interactive user interface that improved user experience
- Effectively collaborated with UI/UX designers and other stakeholders to optimize application usability and aesthetic appeal.
